DANIEL DE LOS REYES
San Rafael 560

2000 Sabor Records

Produced by Daniel de los Reyes

Authentic Cuban blood and music run through the veins of the de los Reyes family. Two generations get together in this recording, which is a tribute to the roots and musical heritage of this talented percussionist. With **San Rafael 560** Daniel de los Reyes -with his father and brothers- accomplishes a long-time dream of his.

This is not another sample-compilation trying to capitalize on the popularity of Cuban music. It's the "real thing," performed with style, a modern approach and respect to the tradition. Danceable and enjoyable, and with a definitive De los Reyes' musical seal, **San Rafael 560** includes rumba, son, pachanga, cha cha cha, mambo, guaracha y descarga, the powerful Afro-Cuban jazz expression.
